A CENTRE FOR EXPERIENTIAL LEARNING

“Wealth is the ability to fully experience life.” - Thoreau

St Thomas' School is proud to announce the launch of **Antardhwani**, a Centre for Experiential Learning for students. Experiential learning is a process through which they develop knowledge, skills and values from direct experiences outside a traditional academic setting.

Antardhwani Learning Environment: Placed in the lap of the majestic snow-clad Himalayas, ALE is positioned at Landour, Mussoorie. Far removed from the hustle and bustle of city life, it is an ideal location for experiential learning; it further provides opportunities for explorative, team building - outdoor activities, self -reflection, collaboration, developing emotional, social and behavioural skills. Activities are designed to enhance students' self-belief by making them challenging and enriching.
