

GREETING FROM OUR ECO CLUB

“THOMASITES FOR EARTH “

THIS SESSION WE TAKE INSPIRATION FROM THE WORDS OF  
THE GREAT ENVIRONMENTALIST JANE GOODALL –

UNITED IN OUR SMALL STEPS , SMALL EFFORTS , SMALL CHANGES WE MUST  
TREAD TO MAKE OUR PLANET CLEANER AND GREENER .

JOIN US IN OUR JOURNEY , LET THE GREEN FLOURISH .....

EDITORIAL TEAM – MAVIA KHUSRU, TANYA RAWAT , MEHAK GANDHI,  
SHIVIKA GUPTA , NOMITA along with  
MRS. SHWETA FREDERICK .

F

Display of charts encouraging to  
Beat Plastic Pollution

# EARTH DAY ASSEMBLY

- India will be the Global Host 2018 on this World Environment Day(June5) and aid in raising awareness to “Beat Plastic Pollution”.
- Plastic has pervaded every aspect of our lives and has now become a pertinent threat to our survival.
- Our Earth Day Assembly was a step to inspire to get together to “Beat Plastic Pollution”.
- The emphasis was to Reuse, Recycle plastic and Refuse and Reduce the consumption of single use plastic.

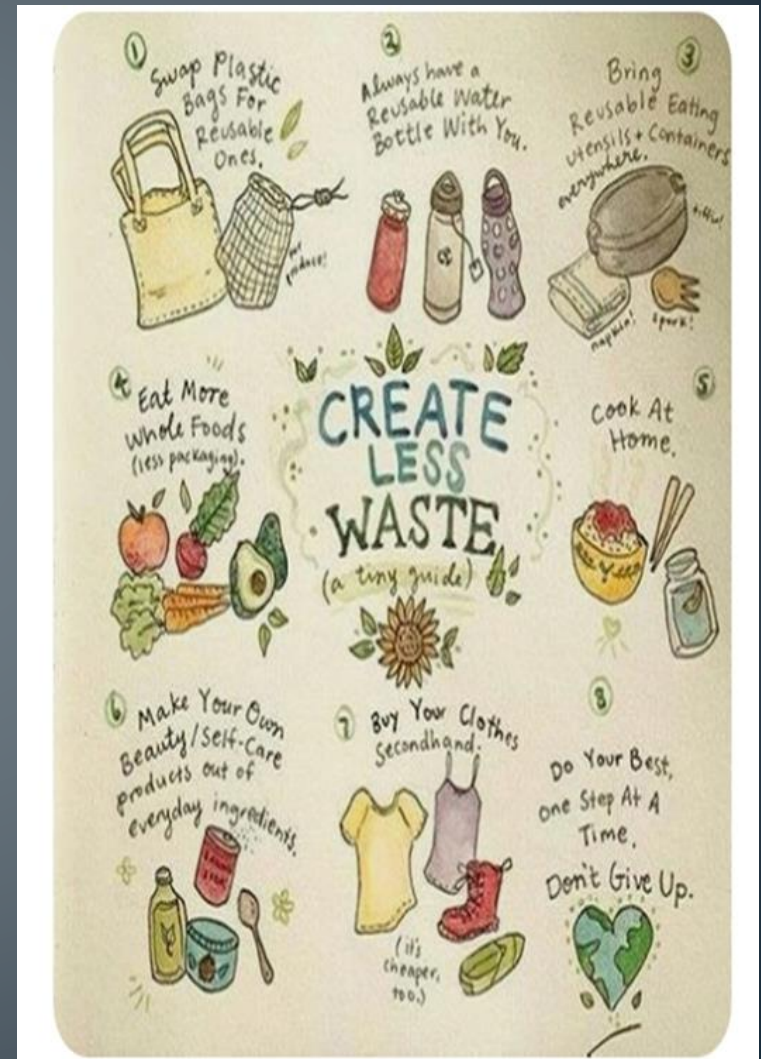

# UPCOMING EVENTS

We endeavor to make our school campus a “ **ZERO WASTE BUILDING**” by 2019.

To achieve this uphill task :-

- i) We have started the work to install a fully functional - Vermicomposting Unit & Bio Methylation Plant
  - ii) Waste Collection & Waste Segregation Units
- b) We have conceptualized the design of a Herb Garden to encourage students to get involved, engage and experience utility and importance of plants around us.
