

# NURSERY DEPARTMENT

ACTIVITIES HELD

IN THE MONTH OF JULY

KG  
Fruit Chaat  
Activity

held on 12 JULY

*Enjoy the*  
LITTLE THINGS

**NURSERY**  
**INTER CLASS**  
**Hindi Recitation**  
**Held on 12 July**

KG  
INTER CLASS  
Hindi Recitation  
Held on 15 July

- ▶ Children recited poems beautifully with proper expressions and rhythm.
- ▶ The poems were on different topics from their daily life like 'Save Trees', 'Save Water', 'Nature', 'Fruits', 'Animals', 'Toys', etc.
- ▶ It enhances their self confidence and public speaking skills.
- ▶ Poetry recitation also helps in expanding the child's vocabulary.

**NURSERY**  
**Show & Tell**  
**15 to 19 July**

**KG**  
**Show & Tell**  
**22 to 25 July**

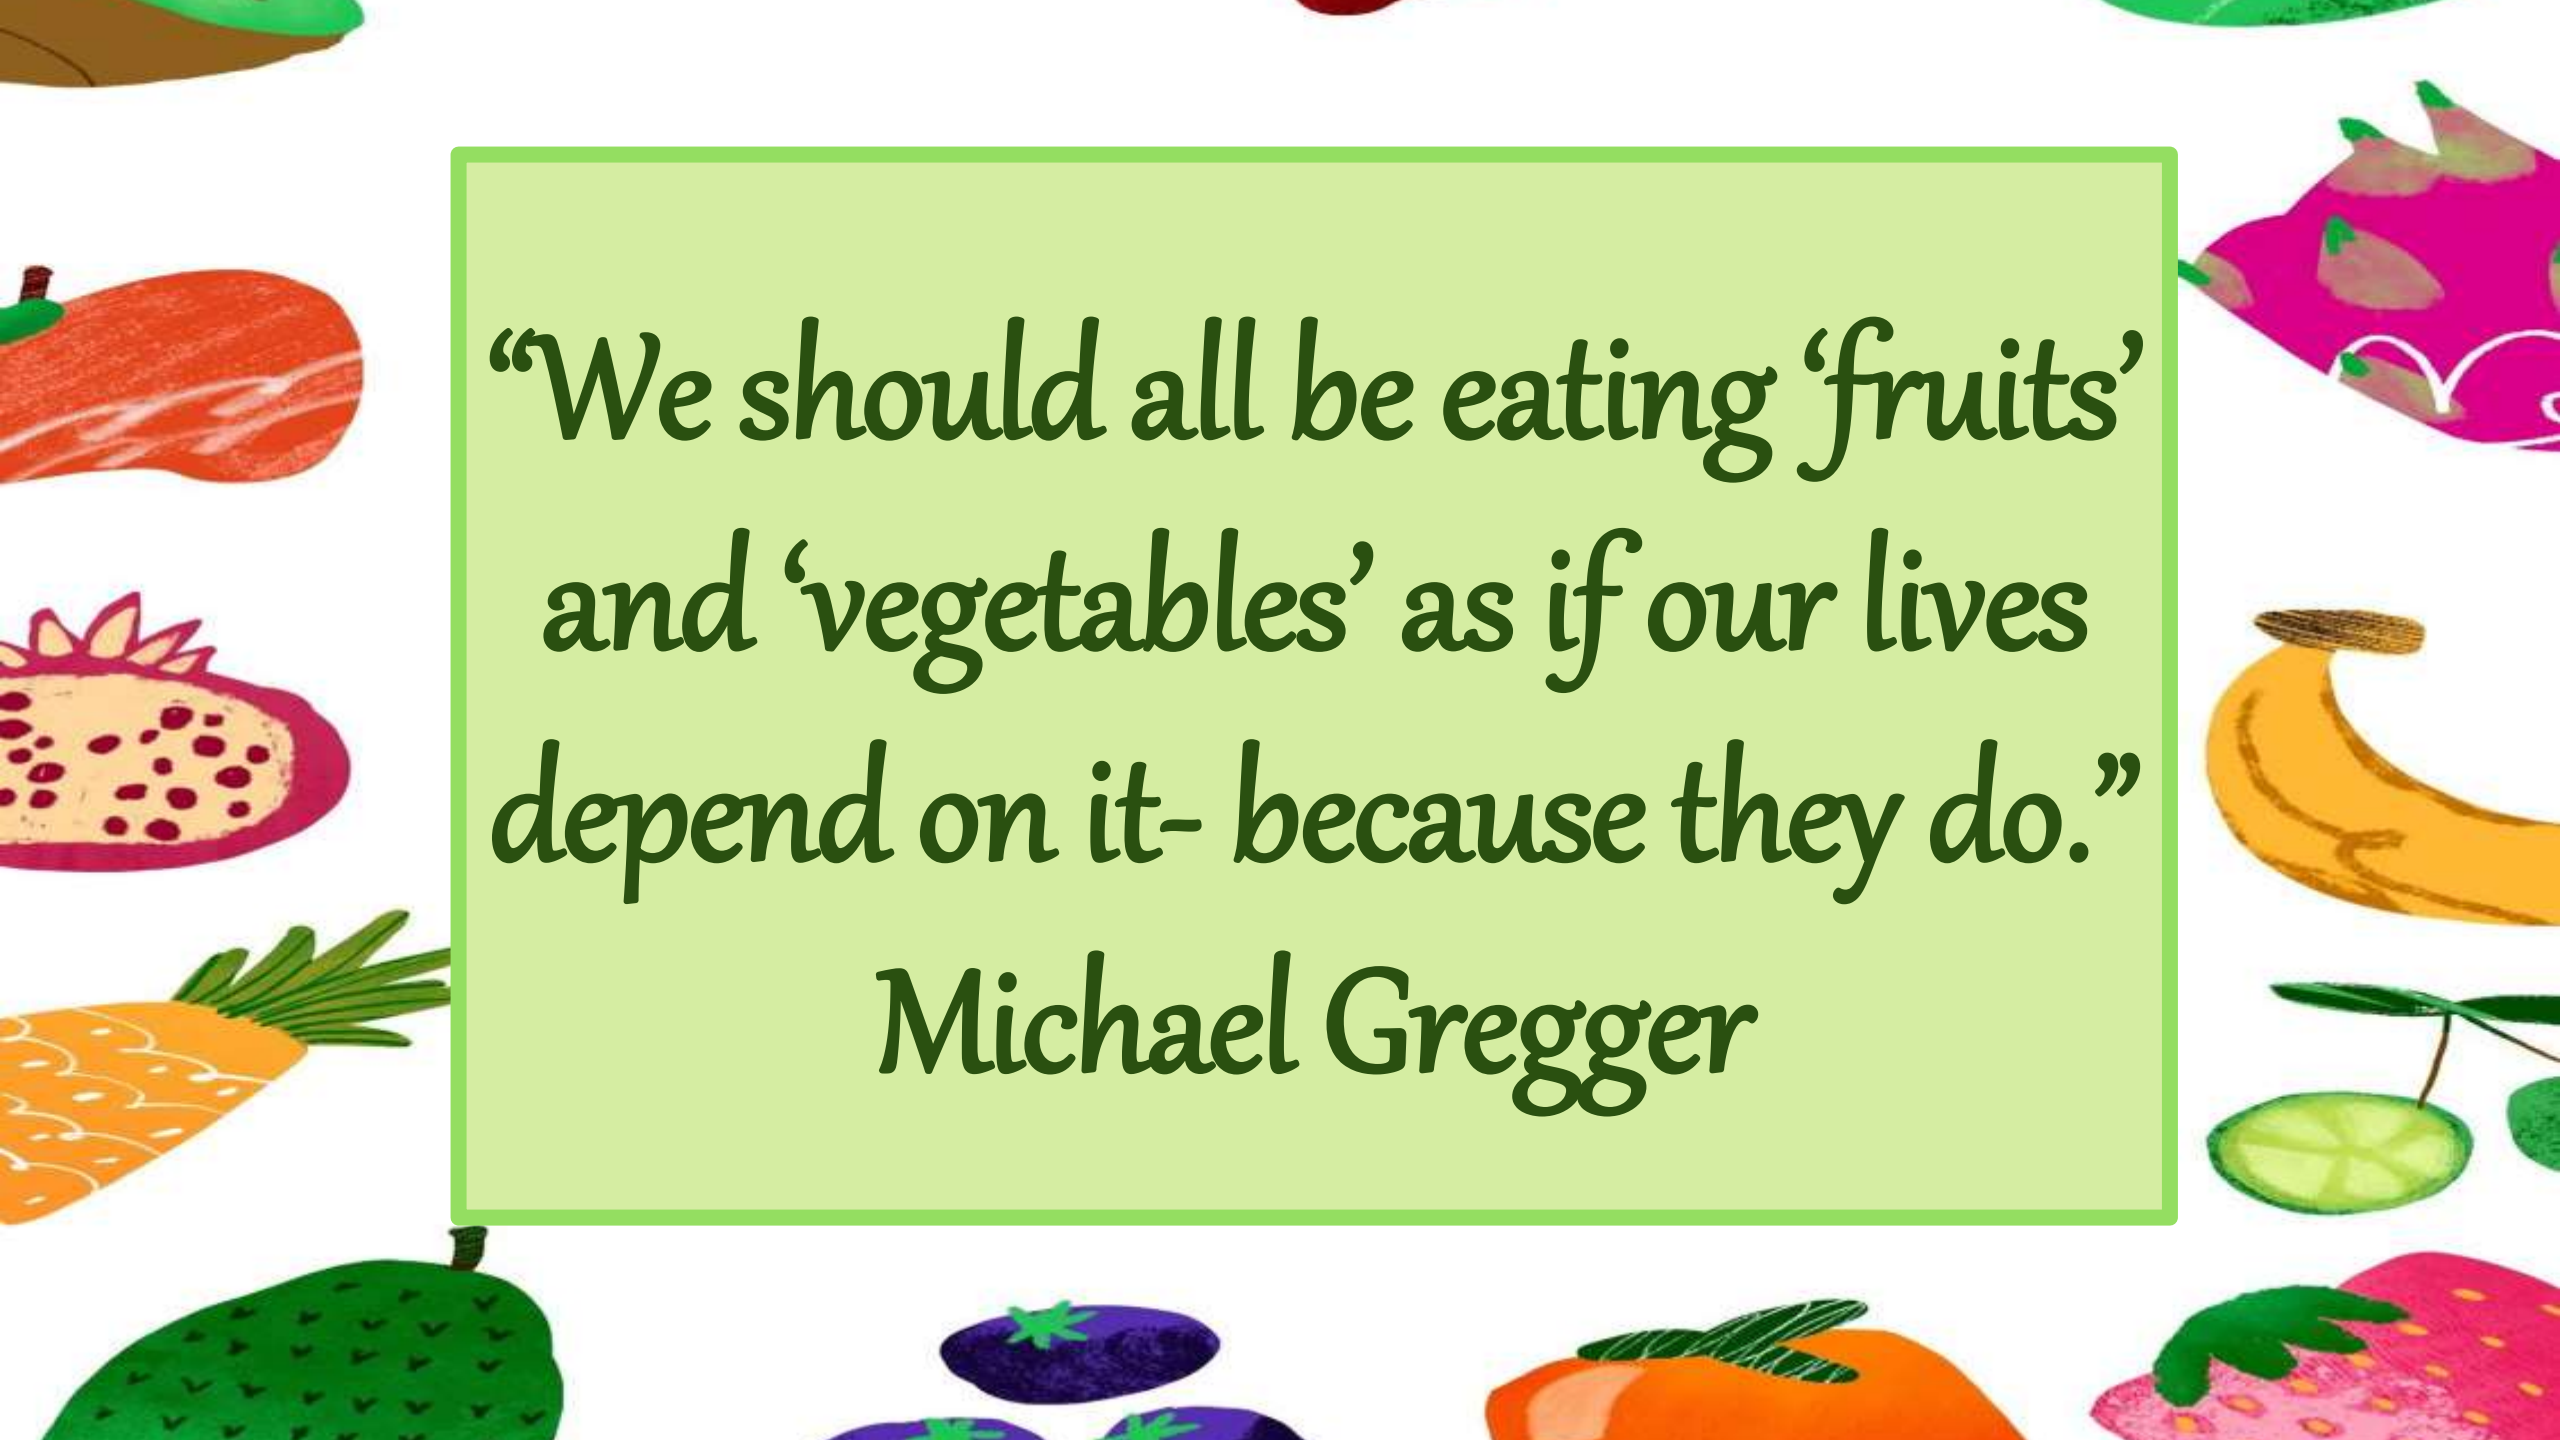

- ▶ The 'Show and Tell' activity was an interesting experience as it provided a comfortable learning arena for our children.
- ▶ Our children got a chance to stand in front of their peers and speak about their favourite toy or object, of their choice.
- ▶ The activity boosts up the child's confidence and helps develop necessary, useful and effective communicative skills.

A colorful poster for a nursery activity. The background is white with various fruit illustrations: watermelon slices, cherries, avocado, kiwi, dragon fruit, banana, pineapple, green mango, blueberries, orange, and strawberry. In the center, a green rectangular box with a white border contains the text. The text is in a blue, rounded font. The word 'Nursery' is at the top, followed by 'Fruit Chaat Activity' in a larger font, and 'held on 30 JULY' at the bottom.

Nursery  
Fruit Chaat Activity  
held on 30 JULY

*“We should all be eating ‘fruits’  
and ‘vegetables’ as if our lives  
depend on it- because they do.”*

*Michael Gregger*

- ▶ The children of Nursery and KG enjoyed the 'Fruit Chaat' activity.
- ▶ They were introduced to different kinds of fruits, their shape, colour, size, seedless or with seed.
- ▶ Children could touch, feel, smell and taste the fruits.
- ▶ They learned about the health benefits of each fruit and also about the importance of fruits in our diet.
